

 BHOPAL	MANDATORY TECHNICAL PRE-QUALIFICATION REQUIREMENTS (PQR)	IN. SK. 46080
	INSULATION SYSTEMS ENGINEERING	Rev. No.: 00
	Mandatory Technical Pre-Qualification Requirements (PQR) for Procurement of Hard Glass Mat Sheets for VPI Insulated LT & HT Electrical machines	Rev. Dt.: 05/10/2015
		Sht. 1 of 1 sht.

1. This material is used in various slot filling, support & packing applications in VPI stator/ rotor windings. It is manufactured by laminating pre-impregnated chopped strand glass matt under temperature and pressure.
2. Vendors must have all the facilities to manufacture and test the material as per specification.
3. Only original manufacturers will be considered. Distributors, agents, stockists, dealers etc. will not be entertained.
4. The firm must be ISO-9001 certified.
5. Raw material, i.e. glass matt required to manufacture the hard glass matt sheets must be procured from reputed national/ international sources, to be disclosed to BHEL.
6. Interested vendors may contact ISE division of BHEL, Bhopal for technical specification, detailed technical information and other manufacturing details.
7. The vendors will be considered technically qualified for supplying the material to BHEL, Bhopal only after technical clearance.
