1. Description

The mounting track assembly will be used for din rail mounting of gate circuit PCB size: 50*108mm. It will consist of mounting track (1no) with mounting foot (2nos) and end clamps (2nos) and suitable screw (4nos) refer Fig-1 below.

2. Dimension

Mounting track assembly should be suitable for housing the PCB size: 50*108mm. Mounting track should be suitable for mounting on 35 mm din rail.

3. Material

Mounting track/foot/end clamp	PVC Self-extinguishing PVC-FR-UL94V-0/Nylon 6.6
Colour	Green
Screw	Bright steel

Rail Mount

1. Profile - extrusion molded
2. Foot Piece
3. End Piece for Rail Mount
4. Screws
