

**Purchase specification for DC FIELD BREAKER:**

Current rating	: 650A DC
Voltage rating	: 1000V DC
No of poles	: 2NO (main) + 1NC (rapturing)
Coil voltage	: 220V DC
Overall limiting dimension	: 500(L)*350(H)*400 (D)
No of aux contacts	: 2NO+2NC
Standard applicable	: ANSI IEEE CE 37.18-1979 AND c37.16-1988
Acceptance criteria	: Satisfactory performance during Heat run test at BHEL test bed
Packing instruction	: Vendor to pack breaker in wooden box with 4-point fixing using nuts & bolts on wooden batten
